

Thur., Sept. 14		Fri., Sept. 15		Sat., Sept. 16		Sun., Sept. 17	
7:00am Coffee & Exhibits		7:00am Coffee & Exhibits		6:00am Coffee & Exhibits		6:00am Coffee & Exhibits	
Session 1 7:45am-8:00am President's Welcome 8:00am – 9:15am Opening Remarks and Lecture Current State of Adult Hypertension in 2017 Session 1 9:15am- 10:00am Panel Discussion		Session 6 8:00-9:00am Debate: Dietary Salt Recommendations: Are the AHA Guidelines Appropriate?		Session 13 7:30-8:00 Donald Seldin Award Lecture 8:00-9:30 Concurrent A: Vascular Biology and Dysfunction Concurrent B: Renal Vascular Function in Health and Disease Concurrent C: Hypertension Journal Case Studies		Session 13 7:00-9:30am Concurrent D: Primary Care Track – Treating Co-Morbidities in Those with Hypertension	
		Session 7 9:00-9:40am Hot Topics in Hypertension				Session 18 7:30-8:00 Dahl Award Lecture 8:00-9:30 Concurrent A: Neurogenic Mechanisms II Concurrent B: Vascular Stiffness Concurrent C: Epidemiology	
10:00-10:30am Refreshment Break		9:40-10:10am Refreshment Break		9:30-10:00am Refreshment Break		9:30-9:45am Break	
Session 2 10:30am-11:10am Obesity and Cardiovascular Disease		Session 8 10:10am-11:00am Women's Health		Session 14 10:00-10:30 The Harriet Dustan Award Lecture 10:30-12:00 Concurrent A: Blood Pressure Monitoring Concurrent B: Obesity and Diabetes II Concurrent C: Neurogenic Mechanisms I		Session 14 10:00-12:00pm Concurrent D: Primary Care Track 10:00-11:00 Common Conundrums in Treating Hypertension 11:00-12:00 Three Unknown and Challenging Cases in Hypertension	
Session 3 11:10am-12:20pm Hypertension, Stroke, and Dementia		Session 9 11:00am-11:40am The Brain and Hypertension				Session 19 9:45-11:00 Concurrent A: Salt Sensitive Hypertension Concurrent B: Renin-Angiotensin System II Concurrent C: Developmental Programming and Pregnancy Induced Hypertension	
11:50-12:50 Lunch		11:40-12:40 Lunch		12:00-1:30pm Awards Luncheon and Business Meeting <i>Tickets required</i>		11:00am Meeting Adjourns See you next year: <i>Hypertension 2018 Scientific Sessions</i> <i>September 6-9, 2018</i> <i>Hyatt Regency Chicago, Chicago, IL</i>	
Session 4 12:50-2:50 Concurrent A – Inflammation, Immunity & Cytokines Concurrent B - Asian Pacific Symposium in Cardiovascular Research Concurrent C - Renin Angiotensin System I	Session 4 12:50-2:50 Concurrent D - Clinical Practice Clinical Science Track: What should be the BP goal for most patients with hypertension?	12:40pm-2:10pm POSTER SESSION II Session 10 2:10-2:40 Arthur C. Corcoran Memorial Lecture	Session 10 12:40-2:40 Concurrent D - Primary Care Track: Adult and Pediatric Treatment of Hypertension	1:30-3:00 POSTER SESSION III	Session 15 1:30-2:40pm Clinical Practice Clinical Science Track Masked vs. White-Coat Hypertension Session 16 2:40-3:00 Clinical Practice Clinical Science Track – Special Situations in Clinical Hypertension	LEGEND  Joint Attended Sessions  Concurrent D: Primary Care Track  Concurrent D: Clinical Practice Clinical Science Track  Council on Hypertension  Poster Sessions	
2:50-3:05pm Refreshment Break		2:40-3:00pm Refreshment Break		3:00-3:30pm Refreshment Break			
Session 5 3:05-5:05pm Concurrent A – Obesity and Diabetes I Concurrent B - Cardiac Hypertrophy and Dysfunction Concurrent C - Pregnancy and Preeclampsia		Session 5 3:05-5:25pm Concurrent D - Clinical Practice Clinical Science Track: Refractory vs. Resistant Hypertension		Session 11 3:00-4:30 Concurrent A Gender Differences and Sex Hormones Concurrent B Hypertension Early Career Oral Awards Session Concurrent C Aldosterone, Its Receptors and Other Hormones Session 12 4:30-5:35 Awards Session: Mid-Career Award Harry Goldblatt Award British Hypertension Society Young Investigator High Blood Pressure Research Council of Australia Award		Session 11 3:00-5:30pm Concurrent D - Primary Care Track: Improving BP Control Rates	
				Session 16 3:30-5:30pm Concurrent A Blood Pressure Control and Adherence to Treatment Concurrent B Salt and Hypertension Concurrent C The Kidney: Causes and Consequences of Hypertension		Session 16 Cont. 3:30-5:35pm Concurrent D: Clinical Practice Clinical Science Track - Special Situations in Clinical Hypertension	
5:30pm-7:30pm POSTER SESSION I Trainee Onsite Poster Competition with Reception		7:00-11:00 Trainee Advocacy Mixer		Session 17 5:45-6:30 The Excellence Award for Hypertension Research 7:30-8:00 Excellence Award for Hypertension Research Reception 8:00-10:00 Excellence Award for Hypertension Research Dinner
